- Three million Vietnamese and tens of thousands of U.S. soldiers and many Vietnamese Americans affected by Agent Orange used by the U.S. during the war.
- Agent Orange causes birth defects and illnesses in hundreds of thousands of children.
- Agent Orange continues to poison the natural environment of Vietnam.

### **Dang Hong Nhat**

suffers from cancer and  
had multiple miscarriages  
due to exposure to Agent  
Orange.

### **Tran Thi Hoan**

21 year old college student  
who was born without legs  
due to her mother's  
exposure to Agent Orange.

## **HELP ACHIEVE REAL JUSTICE FOR VIETNAM'S AGENT ORANGE VICTIMS!**

### **National Co-sponsors:**

Veterans For Peace • Vietnam Veterans Against The War  
▪ National Lawyers Guild • United for Peace & Justice •  
American Friends Service Committee

- **WE will educate our friends and neighbors** about the suffering caused by Agent Orange in Vietnam and in other wars our government has waged,
- **Build friendship** between U.S., Vietnamese American and Vietnamese Agent Orange victims.
- **Hold the U.S. chemical manufacturers responsible** through supporting the Agent Orange victims' lawsuit and a corporate campaign to demand Dow and Monsanto compensate the victims,
- **Hold the U.S. government responsible** to provide significant and meaningful compensation to Vietnamese victims and additional coverage to affected U.S. veterans, and
- **Support the work** of the *Vietnam Association for Victims of Agent Orange/Dioxin (VAVA)*.

**Sponsored by the Vietnam Agent Orange Relief & Responsibility Campaign (VAORRC)**
